Deaf Elementary Teacher

To whom this may concern,

My name is Audrey White, and I am a 4th year Habilitation of the Deaf and Hard of Hearing student at Texas Christian University's Harris College of Nursing and Health Sciences.

I have previously completed my student internship observing and assisting in the both the Preschool/Kindergarten and 1st/2nd grade self-contained Deaf education classrooms at Deer Creek Elementary School. I have gained skills in American Sign Language, lesson planning, communication, and classroom management through this internship. I have also completed two clinical semesters at Texas Christian University's Miller Speech and Hearing Clinic. I have gained skills in developing lesson plans, assessing language, and creating semester-long goals through my time as a student clinician.

Given my countless years working with children and my 83.5 hours of clinical and teaching experience, I am a particularly good fit for the Deaf elementary teacher position at your school. I am impressed by your school's values and your Deaf education program, and I look forward to joining and contributing to your school community.

A copy of my resume is enclosed for your reference. I would welcome an opportunity to discuss my qualifications with you and learn more about your school's Deaf program at your earliest convenience. I can be reached at 602-405-6769 or via email at audreywhite@email.com. Thank you for your time and consideration.

Sincerely,

Audrey White
